Hey Joe! Born to hate! Hey Joe!
You passed valhalla's gates! Hey Joe!
Tell me how was the ride? Hey Joe!
At the valkyries side! Hey Joe!
You're gone but your not deceased!
Hey Joe! Enjoying the heavens feast!
Hey Joe! Tell me how is the mead!
Hey Joe! Save a seat for me!

Brother we'll never forget the undying love for your
Race-Everytime that we saw you had that smile on your
Face! There was never any questioning the fire that
was

In your heart-You were a skinhead warrior and in battle
You would depart!

Hey Joe! Tell me how is the crew? Hey Joe! Erik, Ian,
and
Robert Mathews? Hey Joe! Your songs rocked the
world! Hey
Joe! Your voice is forever heard! Hey Joe! You're the
Thunder in our souls! Hey Joe! We'll fight for the final
Goal! Hey Joe! The hammer from the east! Hey Joe!
With
The slain you now feast!
