Musical revolution spreading through the land
Big city White boys, ready to make a stand
Angry, tattooed, and scarred,
We're really a nasty bunch
Stand in the way of our pride
We'll give you the knockout punch

Sub-Chorus:

They say we've got freedom of speech
Yet they try to censor our voice
We'll just turn up the volume
We won't give you a choice

Chorus:

We're musical terrorist, angry White males
We're the true Minnesota Vikings
From St. Paul we hail
We like it hard, we like it loud
We shout it out, cause we're White and proud
We're rock-in against the industry,
You can kiss our ass MTV

We're musical terrorists hail! hail! hail! hail!
We're musical terrorists hail! hail! hail! hail!

We're musical terrorists hail! hail! hail! hail!
We're musical terrorists
And we hail you

Turn off the radio come and open your ears
Don't listen to that garbage
That promotes hippies and queers
Open your eyes, be a man, take pride in yourself
For you hold the key, to your heart,
You and no one else

(Repeat Sub-Chorus)

(Repeat Chorus)

We're not the spirit of 69, we're the spirit of 88
We're the true sons of Odin that love to show their hate

Under the deathhead and the runes
We march into this glorious fight
Some may think we're crazy,
But this is our way of life!

(Repeat Sub-Chorus)

(Repeat Chorus)
