A midnight attack, the hammer's drawn back
A pull of the trigger, you hear a loud crack
The burst breaks the silence, on this night of violence
Another mission accomplished, a victim of my defiance

Sub-Chorus:

I'm a soldier of the revolution
Electing bullets for ballots is my solution
And with this hollow-point round, I'm gonna take you
down
Tell me how's the view from six-feet underground

Chorus:

One shot, one kill, your blood is mine to spill
One shot, one kill, your soul is mine to reap
One shot, one kill, your talk is mine to silence
One shot, one kill, your life is mine to take

Talk show commentator, media fornicator
Just a rich little bastard leftist agitator
Your talk is so cheap, you sick little sheep

Come harvest time your soul is mine to reap

(Repeat Sub-Chorus)

(Repeat Chorus)

Puppet of corruption, preaching my destruction
It's the all mighty dollar that makes you function
You've polluted our nation with corrupt legislation
You've signed away our rights,
Now I've got no hesitation

Dreadlocked bastard, gangster rapper
Raping White women is all that he's after
You've fooled the rest, but I know what you're about
Your threats will fall silent when you're the body count

I'm a soldier of the revolution
Electing bullets for ballots is my solution
And with this hollow point round,

I'm gonna take you down
Tell me how is the view from six feet underground
