Onward to Victory, we won't take no more-Onward to
Victory, we're kicking down the door! Onward to
Victory,
It's time for us to fight-Onward to Victory, the skins
Are out tonight!

Hail Victory!

Onward to Victory, the blood is gonna flow-Onward to
Victory, we're gonna overthrow! Onward to Victory, in
our

Battle stride-Onward to Victory, with our racial pride!

Hail Victory!

Onward! To Victory! Onward! To Victory! Onward! To
Victory! Onward! To Victory!
