Hail! Hail! Hail! Hail! Hail! Hail! Hail! Hail!

Can't you hear my warcry, as I cry for victory. Can't
You hear the thunder raging across the sea. Can't you
See the lightning as it races across the sky. Can't you
Feel the power and the strength of my warcry.

We are the new order. Hail! We're goin' over the top.
We are the new order. Hail! Restless aggression that
Can't be stopped.

I'm on a mission get outta my way. There's thousands
of
Others that'll say. We're rising to power and we're
Rising fast. People say that we're insane. They say
That we ain't got no class. Well they can take their
Cultured lives and stick 'em up their ass.

With a strong will and fists of iron, we will come to
Reign. And to all of those who oppose our force, we'll
Let 'em know the meaning of pain. White youth around
The world let me see your outstretched hands. Hail!
Our

Time is coming to revolt, to cleanse our once Aryan
Lands.

We are the new order. Hail! We're goin' over the top.
We are the new order. Hail! Restless aggression that
Can't be stopped.

We are the new order. Hail! We're goin' over the top.
We are the new order. Hail! Restless aggression that
Can't be stopped.

Hail! Hail! Hail! Hail! Hail! Hail! Hail! Hail!
Hail! Hail! Hail! Hail! Hail! Hail! Hail!
