Where do you stand? What do you see?  
What do you hear? What do you believe?  
When all falls down, crumbles and bleeds,  
Will you stand? Stand by me?  
When silence is broken and stones are thrown,  
When my windows are shattered, will you give me a  
home?  
When I'm out in the cold, stranded and wore,  
Will you stand? Stand my me?  
When my light goes dim and I've lost the spark,  
Will you help me find my way through the dark?  
When my candle goes out and I've lost the flame,  
Will you stand? Stand by me?  
When I shiver from being cold and wet,  
Will you cover me and lay me to rest?  
When my body becomes lifeless, frozen and sore?  
Will you stand? Stand by me?

When all I own has been taken away,

Will you share with me through these unfortunate  
days?  
When I'm poor, broken, without a thing in this world,  
Will you stand? Stand by me?  
When my life is fading, fading to black, when it doesn't  
Look like I will make it back  
When I leave my life will you care for what I have left,  
Will you stand? Stand by me?

Where do you stand? What do you see?  
What do you hear? What do you believe?  
When all falls down, crumbles and bleeds,  
Will you stand? Stand by me?  
When silence is broken and stones are thrown,  
When my windows are shattered, will you give me a  
home?  
When I'm out in the cold, stranded and wore,  
Will you stand? Stand my me?
