Spread the word across the seas,  
It's time to answer our peoples pleas.  
Forced in a position to defend,  
The men of iron rise again.  
See the writing is on the wall  
Hear our high heavens call.  
Feel the earth start to shake  
The mighty Aryan is now awake!  
AWAKE, AWAKE, AWAKE

Chorus:  
Gather the men a call to the wise  
It's a Teutonic uprise  
The sons of Herman once again rise  
It's a Teutonic uprise

The blood of Herman flows through our veins,  
We've seen through the darkness,  
Seen through the pain  
In tribal valor, men who gave their lives  
In our hearts they instilled battle pride

We're not like others who choose to run  
Our sword is now our gun  
Our seeds are planted all over the land  
Try to stop us if you can!  
ARISE, ARISE, ARISE!

(Repeat Chorus) x2

A great call was heard through the land  
It was a call to every able man  
From the hills and valleys they came  
Across the rivers through freezing rains  
Kinsmen gather around by our blood we are bound  
Raise your sword to the sky, tomorrow we fight or die  
Reach deep into your soul, victory belongs to the bold  
Raise high your cup of mead  
Into countless battles we'll proceed

(Repeat Chorus) x2
