From the ashes in a blaze
The Iron Eagle Flies Again!
He's a symbol of our noble way
The Iron Eagle Flies Again!
Soaring through the darkened clouds
The Iron Eagle Flies Again!
Nothing can stop him now
The Iron Eagle Flies Again!

From the fire the winged one emerges
Into the endless night
The rubbles of old turn to streets of gold
When the eagle takes to his flight - Sieg Heil!

Bringing hope and prosperity

The Iron Eagle Flies Again!
Forging forth a new destiny
The iron Eagle Flies Again!
Spreading his wings over the Reich!
The Iron Eagle Flies Again!
Giving us the will to fight
The Iron Eagle Flies Again!

From the fire the winged one emerges
Into the endless night
The rubbles of old turn to streets of gold
When the eagle takes to his flight - Sieg Heil!
