I whisper louder than screams, you don't appear in my  
dreams, i read your  
Skin like a code, first time for nothing you know, we're  
going to live til we die  
You're going to like what you get, i found you asking  
for more of something  
You haven't got yet, you know what it is, don't know  
what it is,  
You know what it is, boy i'm a burning, boy i'm a  
burning girl  
Flirting with fate like a wish, you me and the serious  
kiss, well like never  
Listens to like, so don't ever ask, natural, criminal  
thought, killing your  
Time to the point, i'll keep my thought in that place, this  
is the terrible word, this is the terrible word,  
You know what it is, don't know what it is, you know  
what it is, don't know what it is,  
Boy i'm a burning, boy i'm a burning girl, boy i'm a  
burning, boy i'm a burning girl  
Clever crawled in on his knees, so many ways to say  
please  
You know what it is, don't know what it is, you know  
what it is, don't know what it is,  
You know what it is, don't know what it is, you know  
what it is,  
Boy i'm a burning, boy i'm a burning girl,  
Boy i'm a burning, boy i'm a burning girl,  
Boy i'm a burning, boy i'm a burning girl,  
Boy i'm a burning, boy i'm a burning girl...
