Take
Me
Some
Where
Sunny
If you have a testimony
Ba da da da da
They give you easy blindness like a moneylender
And you may need bright lights for surgery
Ah-ahh
Ah-ahh
Tell me
I have a knife and time enough for everything
Yesterday covers your head
With that anaesthetic dread
Beautiful beautiful
Are you dangerous dangerous
Think I'm gonna die of lust
Think I'm gonna die of lust
Bite the dust
I will I will
And I can't count past won-derful to to-morrow
Tell me if I die and never know
Beautiful beautiful
Are you dangerous dangerous
Think I'm gonna die of lust
Bite the dust
Do do
I will I will
When e-ve-ry-thing's gone
I will be your champion
Breathless and perilous and full-of-you-yes
