Sup...

Comes in a box

It will fuck you up

It speaks so softly to you

tell you to have a sup

It's moselle, chablis, ros  , reisling

When you think it's gone

Well you know it's not

Just blow it up

Because you know it's all you've got

It's cheaper than the box it comes in

4 Litres...

Choke on number 1

Retch on number 2

When four comes around you know that it's all good

news

Only buy claret if it's the last goon in the shop

4 litres...

sup the goon

sup it
