I like you to talk to
I don't want a hard sell
Hold on to yourself
Maybe find someone else
I want you to stay back
You could lose face
The time hasn't come to
compromise but when it does I'll cut you down

and I don't want to fuck you
Well I think you're really nice
but I couldn't bring myself to fuck you

One, Two, Three, Four...

Why can't you see what you do to yourself
When you get down on the floor
You'll graze your knees, wet the floor
disgrace yourself and someone else

I want you to get real
Don't trust your instincts
The time hasn't come to
compromise but when it does I'll cut you down

and I don't want to fuck you
Well I think you're really nice
but I couldn't bring myself to fuck you
You can come 'round to my house but I don't want to
fuck you
Well I think you're really nice
but I couldn't bring myself to fuck you

I'll bring you down every time
you wanted to come around
It's a shame I'm not ashamed
'cause it's just a fucking game
