Visit "[Get Off](#)" on MotoLyrics.com

Get off, get off
Don't skate
Too late
Walk straight

You are trying to protect your face
Can you see that it is a disgrace
Disgrace, disgrace
When you can't take us down

You can't take us down, take us down
Take us down
You can't take us down, take us down
You can't take us down, take us down, down
You can't take us down, down, take us down

Get off
Don't skate
Too late
Walk straight

You have lost respect you never gained
Do we have to fight you to explain
Explain, explain
When you can't take us down

You can't take us down, take us down
Take us down
You can't take us down, take us down
You can't take us down, take us down, down
You can't take us down, down, take us down
You can't take us down

Get off
Don't skate
Too late
Walk straight

You are trying to protect your face
Can you see that it is a disgrace
Disgrace, disgrace
When you can't take us down

You can't take us down, take us down
Take us down
You can't take us down, take us down
You can't take us down, take us down, down
You can't take us down

When you can't take us down
Take us down, take us down
You can't take us down
You can't take us down
Get off
