I don't care if you're bored and all alone
It's 'cause you can't afford to buy some friends or
speak by mobile phone
If you're wondering why everybody's stepping on your
face
It's 'cause you don't have any money and you've been
put in your place

So why don't you get down on your knees
I'm richer than you
Why don't you get down on your knees
I'm richer than you

Why don't you get down on your knees
I'm richer than you
Why don't you get down on your knees
I'm richer than you, yeah

I don't care if you're falling all over the place
Because we just can't stick around you and there's
someone in your face
You're listening to everybody singing in dial tone
You don't have time to wait around, that's why you're
all alone

So why don't you get down on your knees
I'm richer than you
Why don't you get down on your knees
I'm richer than you

Why don't you get down on your knees
I'm richer than you
Why don't you get down on your knees
I'm richer than you, yeah

I don't care if you're bored and all alone
It's 'cause you can't afford to buy some friends or
speak by mobile phone
If you're wondering why everybody's stepping on your
face
It's 'cause you don't have any money and you've been
put in your place

So why don't you get down on your knees
I'm richer than you
Why don't you get down on your knees
I'm richer than you

Why don't you get down on your knees
I'm richer than you
Why don't you get down on your knees
I'm richer than, richer than, richer than you
