Don't get a million bucks just for getting out of bed
Don't get a million fucks when I punch folks in the head
And even if we never have a Billboard top ten hit
At least we know that Russell Crowe's Band's a fucking
pile of shit!
At least we know that Russell Crowe's Band's a fucking
pile of shit!

I don't get olympic athletes to my barbecues
I don't get extortion threats from the Coffs Harbour
Saloon
And even though our paychecks may as well be
counterfiet
At least we know that Russell Crowe's Band's a fucking
pile of shit!
At least we know that Russell Crowe's Band's a fucking
pile of shit!
