Do you think about what you do
Or what you say?
Does it matter who gets fucked
Along the way?

Is it worth the effort
Just to see them pay?
If everybody does it
Doesn't make everything okay

I'd like to wipe this
I'd like to wipe this from my mind
I'd like to step away
I'd like to step away

So sick and tired of this, tired of this
I am so sick and tired of this, tired of this
I am so sick and tired of this, tired of this
I am so sick and tired of this
Sick and tired of
Sick and tired of

Would you like to go away
Away from here
Where you don't have to address
What you can't hear?

All that you do
You don't believe everything
All that you do
You don't believe anything

I'd like to wipe this
I'd like to wipe this from my mind
I'd like to step away
I'd like to step away

So sick and tired of this, tired of this
I am so sick and tired of this, tired of this
I am so sick and tired of this, tired of this
I am so sick and tired of this
Sick and tired of

Sick and tired of

Would you like to go away
Away from here
Where you don't have to address
What you can't hear ?

All that you do
You don't believe everything
If you weren't here
We could believe anything

I'd like to wipe this
I'd like to wipe this from my mind
I'd like to step away
I'd like to step away

So sick and tired of this, tired of this
I am so sick and tired of this, tired of this
I am so sick and tired of this
Sick and tired of
Sick and tired of this
