We believe you could do anythingÂ... if you didnÂ't try at all

We believe the sun spins in your palm everyday and you donÂ't notice it at allÂ...

But try a little harmony: see if you can suspend your disbelief

Forget about your destiny

Get off your feet and live!

Get off your feet andÂ...

I believe in human angels- I believe they walk around barefoot and wear funny hats

I believe in human fairies- I believe they think theyÂ're children and theyÂ're fond of catsÂ... Of cats!

I believe in human angels- I believe they donÂ't cared for watches or pink underwear

Everyday they walk right through you

Trying to catch a glimpse of the sunshine they once buried in you

Jojo was a human angel she used to work at the corner shop around the corner from me she believed in human fairies Â'cos she saw one on that trip when she was just 17: Â'venteen!

EveryoneÂ's a human angelÂ... although we donÂ't all go for the bare feet and the funny hats (we were made from golden sunshine)
