Okay we get it, nobody's as scene as you  
And everybody's seen your new tattoo  
Well no one is impressed  
But as for all the rest that lied to you  
They'll probably never tell  
Ask me if I'm sorry, well

Two thousand miles no will never be enough  
And Phoenix can keep you  
I hope you're better off without me  
Because here in Georgia  
Everybody's happy

(Go! )  
Whoa, those lips are nice  
But they're about as fake  
As the words that you'll say though them  
Yeah, with your chest to match  
No I don't want you back  
Ask me if I'm sorry  
It's you that I'm sorry for

Two thousand miles no will never be enough  
And Phoenix can keep you  
I hope you're better off without me  
Because here in Georgia  
Everybody's happy

Without you around  
Without you in this town  
I can finally see so clear  
Without you here

And after all that we've been through  
I will not forgive you

Two thousand miles (Woah)  
Two thousand miles (Woah)  
I hope you're better off without me  
Because here in Georgia  
Everybody's happy

Without you around  
Without you in this town  
(I can finally see so clear)  
Without you
