How long's it gonna take to make you miss me?
A year and two months
Yeah, and I'm still waiting
How long has it been since you've kissed me?
Cause I'm not happy
Unless you're lying to me

You never told me that we wouldn't last
Cause you're too good for that
And I'm in love with every flaw you have
So why won't you love me back?

You asked me how I was doing yesterday
I lied and said, "I'm feeling, I'm feeling OK"
And I'm certain I could live without you
I'm just not convinced that I would want to

You never told me that we wouldn't last
Cause you're too good for that
And I'm in love with every flaw you have
So why won't you love me back?

Oh, why won't you love me back?

You never told me that we wouldn't last
Cause you're too good for that
And I'm in love with every flaw you have
So why won't you love me back?

Oh, why won't you love me?

Don't believe her
Don't believe her
Don't believe her
Don't believe her
Don't believe her
Don't believe her
Don't believe her

You never told me that we wouldn't last (Don't believe her)

Cause you're too good for that (Don't believe her)
And I'm in love with every flaw you have (Don't believe
her)
So why won't you love me back? (Cause she's a liar)

She's a liar
She's a liar
She's a liar
Don't believe her
