Yini ngathi awusangithandi?
Yini ngathi awusangifuni Baby?
You used to hold me
You used to laugh with me
And now I feel you're despising me!
Things have changed
Rearranged
You're not the same boy I used to know
Things have changed
Rearranged
(If its only me) why are you looking over my shoulder?
Yini ngathi awunas' iskhathi?
Yini ngathi awujoli nami, Baby?
You used to hold me
You used to laugh with me
And now I feel you're despising me!
Things have changed
Rearranged
You're not the same boy I used to know
Things have changed
Rearranged
(If its only me) why are you looking over my shoulder?
Thath' iimpahla zakho
Nentliziyo yakho
I don't need you messing with my head
Thath' iimpahla zakho
Nentliziyo yakho
I don't need a stranger in my bed!
