What is this I'm feeling
i just can't explain
When you're near
It's just can't explain
I tried ti hide it
Tried not to show it
It's crazy
How could it be

Chorus:
I've fallen for you
Finally my heart gave in
And i'm falling in love
I've finally know how it feel

When you said hello
I looked in your eyes
Suddenly I felt good inside
Is this really happenin'
Or am i just dreaming
i guess it's true
I can't believe

repeat chorus

So this is love...

It doesn't matter where I am
Thoughts of you still linger in my mind
No matter whAT time of day
I've really, really fallen for you

Repeat chorus 2x

So this is love....
