Wu-Tang sound control America
One operator, one selector
Wu-Tang sound control America
One operator, one selector

Those unaware would not knowledge the square
I linger in the air like smoke, but I'm there
Hard to di-tect yourself
When you can't see clear through the rapid feed
Them call a weed? Original ganja plant, dem bare seed

The aroma, got my callin my collect, I need a donor
to lace me with pounds from Arizona
The elusive, Bounty and the Masta exclusive
Many entertainer want the chance to bust
but it's only with the Gods I trust, do I puff?
Burnin bush from in front hoe, lampin on the Bay of
Montego
to a far wind, bringin wallabee Clark's to the starvin
There's no escapin the soundclash
Gun fire shot, I make it hot as sunsplash

[Chorus]
