Intro:[Wyclef]

Is it soft? Is it soft?

Coco B, R&R

And Bounty Killer

Refugees Productions

Black John on the Sound

C'mon Let's Run

Chorus: [Nona]

It's A Party (Show Love)

Let's get together (C'mon down)

Make it happen (Let's make it happen yo)

Feel much better (Feel this)

There'll be no shooting (Hold it down)

At each other (Hold it down)

It's a party (Why? Cause the Killa said so)

Verse 1:[Coco Brovaz]

In a smoke filled room

Banging my favourite tune

Play it loudly

Soldiers around me

Getting Rowdy

Coco B's and Bounty

We mash the Party

Then flee the county

Country to Country

Come see the Nazi from the refugee

All Star in the clup pay the V.I.P.

Show me love BCC in the double tree

Rap star at the bar pour bottles of bubbly

We MCs rocking box like Run-DMC

Spread love with my peeps and my family

S-T double E, Smokey he run with me

Tail flowers cover me that's my PNC's and

Chorus:

Verse 2:[Bounty]

Party going on from night till day

Full attention is what the ladies

Things weh we say the girls dem obey

Cause dem never yet party dis way

Ladies come over if you wanna play
I'll be at your service right away
All when mi old and mi hair dem grey
Anyweh di party deh mi ah deh deh

Chorus:

Verse 3:[Coco B's and Bounty]
Baby wanna dub wit me
Get me answer to the club seasoned grub on me

Well I'll be sippin Henesee up in the V.I.P.
And I'm just trying to stay alive like a Refugee
Smoking black trees with Coco B

Wave King Rock checker for a Walabees
And all the thugs with me
Get in the club for free
You gotta respect these

Ghetto Celebrities

Cause we party from Jamaica back to NYC

Chorus:

Verse 3:[Bounty]
Step inna the party girls a push and shove
Tell dem guy bye-bye dem madly in love
And a approach fi wi kisses and hugs
Kiss off we cheek till dem lipstick smudge
Wanna be a member of the fan club
Sketel ah wink mi but mi neva budge
How much hot gal mi have ah melt like fudge
Addicted to this like it is hard drugs
Nuff man ah cus cause them filled with grudge
Why they wanna harm me I'm a refugee thug
Just because the girls like the way we does
When wi a chat dem nuff

Chorus:
