The devil and the darkness came today  
No longer hope can run away  
I turn on you and you turn on me  
Roll to the ghetto with the sickestly  
And everybody hits the road into the church  
A ticket to the chicken in the shiny shirt  
Praise to the hutt, proceed me to the one  
And everybody here is a friend of mine, yesterday  
The devil and the darkness came today  
No longer love can run away  
I dance in the streets and I raised to cry  
And if you disagree I spit in your eye  
And everybody hits the road into the church  
A ticket to the chicken in the shiny shirt  
Praise to the hutt, proceed me to the one  
And everybody here is a friend of mine, yesterday  
Come together to the joyful sound, all the...  
Oh, the devil and the darkness came today  
Again we have flag and run away  
My flags better then the one next door  
She's a busy mama saying: 'I can't more! '  
And everybody hits the road into the church  
A ticket to the chicken in the shiny shirt  
Praise to the hutt, proceed me to the one  
And everybody here is a friend of mine, yesterday
