### Free Session

Get yourself together, girl  
You're beautiful - you're special  
But honestly your taste is poor  
You aim to fail every time  
You have to cry - you crave the fight  
And never ever have you been the one to close the  
door

Stupid - go find someone as beautiful as you  
Nothing less will do  
You know there's plenty out there who'd gladly kiss  
your feet  
If you'd allow them to

You're a stubborn daughter of a bitch  
You've agreed - but is there progress?  
You keep feeding your depression  
Not that I'm a role model but I - find it easier to analyze  
You than myself and this is a free session

Stupid - go find someone as beautiful as you  
Nothing less will do  
You know there's plenty out there who'd gladly kiss  
your feet  
If you'd allow them to

If you'd allow them to  
If you'd allow them to, to

Oh I sure do seem wise - trying so hard to open your  
eyes  
As if, as if, as if I - were the one to give advice

Oh I sure do seem wise - trying so hard to open your  
eyes  
As if, as if, as if I  
Were the one to give advice  
Stupid - go find someone as beautiful as you  
Nothing less will do  
You know there's plenty out there who'd gladly kiss

your feet  
If you'd allow them to Stupid - go find someone as  
beautiful as you  
Nothing less will do  
You know there's plenty out there who'd gladly kiss  
your feet  
If you'd allow them to  
If you'd allow them to
