I'll smile each time I have to smile  
It'll be an everlasting high

I'll do whatever you find good  
And I won't cry ... I promise I won't cry  
I'll smile each time I have to smile  
It'll be an everlasting high  
And I won't cry ... I promise  
I won't cry - I won't cry  
I won't cry - I ...
