I admit I met the boy
Somehow I can't seem to recall, the places name or
what we did together
I went out for once a night
I was alone but it was alright
He asked me if I would keep him company

But I never, never kissed him at all, no way
Never, never looked among on the benefit, but my
eyes
He didn't even think about it, he didn't even try
And I never, never kissed him at all, no way
Never, never even returned one of his beautiful smiles
He didn't even think about it, didn't even try.

He told me I was beautiful
That I was special in my coat

I was the sunlight leader of the moon
So I admit I met the boy
But somehow I can't seem to recall, the place's name
or what we did together

And I never, never kissed him at all, no way
Never, never looked among on the benefit, but my
eyes
I didn't even think about it, didn't even try
And I never, never kissed him at all, no way
Never, never even returned one of his beautiful smiles
He didn't even think about it, didn't even try

Didn't even try
I didn't even try

Didn't even try
