Visit "[Mr. Opposite](#)" on [MotoLyrics.com](https://www.motolyrics.com)

Please excuse me while I try to understand  
The huge difference between you and me  
The strange way that we just don't get along  
'cause we've tried hard enough now haven't we ...?

You say I'm red - then that you're green  
So we're each other - we're the same actually but ...

You're always in conflict Mr. Opposite  
You're always in conflict Mr. Opposite

You say black - I go white  
And I'm always the wrong now aren't I

You say I'm red - then that you're green  
So we're each other - we're the same actually but ...

You're always in conflict Mr. Opposite  
You're always in conflict Mr. Opposite  
You're always in conflict Mr. Opposite  
You're always in conflict Mr. Opposite
