Someone Else to Dig

Music: Freya / Rune Westberg

Lyrics: Freya

You can't stop crying,
- well that's too bad
You won't stop whining,
- it drives me mad
You're not my friend - I'm sorry
Though you pretend so bad to be

You're letting me in
where I don't belong
Tell too many secrets ãfÂçâ, ã,Â;

Find someone else to dig
Find someone else but me cause
I can't take it
Find someone else to dig
Find someone else but me cause this is wasted

You call me up to fill me in
You say you don't know
where to begin
Well how about you stop talking
How about you start listening

You're letting me in where
I don't belong

Tell too many secrets ãfÂçâ, ã,Â;

Find someone else to dig
Find someone else but me cause I can't take it
Find someone else to dig
Find someone else but me cause this is wasted

I hardly met you, but I know
everything, everything about you
Cause everything,
everything is out there ãfÂçâ, ã,Â;

Find someone else to dig
Find someone else but me cause
I can't take it
Find someone else to dig
Find someone else but me cause this is wasted

Find someone else to dig
Find someone else but me cause
I can't take it
Find someone else to dig
Find someone else but me cause this is wasted
