Stop

Music & lyrics: Freya

I'd die to hear your voice say something sweet
I'd die to feel your hands
all over me
But you're not here and
I'm not there
So I can't feel you
and I can't hear you

I've got to be patient,
I've got to wait for you
to make your mind up
I'm trying to be patient
but will this ever
Stop, stop
- it's wearing me down
Stop, stop
- I need to know what's going on

These days I've got a
one-track mind
I try to strike genius but all I find
Is you're not here and
I'm not there
So I can't feel you
and I can't hear you

I've got to be patient,
I've got to wait for you

to make your mind up
I'm trying to be patient
but will this ever
Stop, stop
- it's wearing me down
Stop, stop
- I need to know what's going on

I've got to be patient

I've got to wait for you
to think things through
I'm trying to be patient
but will this ever

I've got to be patient
I've got to wait for you
to think things through
I'm trying to be patient
but will this ever, yeah

Stop, stop
- it's wearing me down
Stop, stop
- I need to know what's going on
