I met her at the pool
yeah she was smokin' hot
she told me maybe we should get together sometime
she asked me if i could
rub oil on her back
and that was fine with me
and then i had a crazy fantasy...we were

Naked in my bed
one fling no strings
movin' all around the room
chicka chicka boom boom...and then we did it
on the floor
against the door
up on the sink where we did it some more
the sun was hot and we were both burning red
we were naked in my bed

She read her magazine
right in front of me
the latest issue of cosmo she said i should
check these positions out on page 69
she pointed to this one...and said
looks like a lot of fun..then we were

Naked in my bed
one fling no strings

movin' all around the room
chicka chicka boom boom...and then we did it
on the floor
against the door
up on the sink where we did it some more
the sun was hot and we were both burning red
we were naked in my bed

Everyone will wonder where we've been
we can make up something oh but then
we may never see the sun again

We were naked in my bed
on top, don't stop

movin all around the room
chicka chicka boom boom

i gotta getcha naked
na-na-na naked
chicka chicka boom boom
i wanna getcha naked
on the floor
up on the seat where we'll do it some more
the sun was hot and we were both burnin red

(and then we did it)
naked
na-na-na naked
(we were naked in my bed)
naked
