"One Step Away"

Visit "[One Step Away](#)" on MotoLyrics.com

I'm down and losing faith
I can't catch a break
Yeah, that's where I am

And everyday is longer it seems
And I'm losing my dreams
Along the way

The world can be so mean to me

All I want so much more
Like a place on the dance floor
I'm only one step away

And I'm falling apart
As I walk through the dark
But I'll start over today
I'm only one step away

I know I'm not blind
But I can't see a future
Unless I change my mind
Unless I decide

That all this comes right down to me

All I want so much more
Like a place on the dance floor
I'm only one step away

And I'm falling apart
As I walk through the dark
But I'll start over today
I'm one step away, one step away

But tomorrow's new day
And I'm fighting my way back again
As soon as I let me
I'll prove this is all in my head

'Cause I want so much more
Like a place on the dance floor

I'm only one step away

And I'm falling apart
As I walk through the dark
But I'll start over today
I'm one step away
A scared step away
