Don't do it
Don't do it
Don't look at me the way you do
Don't do it
Those eyes of yours
Are much too blue
Don't do it
Don't do it
Don't make me think
This could be true
Don't do it
These lips so close
Belong to who
Don't do it

Don't come closer
Stay away from me
My heart is not prepared
Why don't we wait and see
Please give it time

Don't do it
Don't look at me the way you do
Don't do it
Those eyes of yours
Are much too blue
Don't do it

I'm falling, falling, falling
I'm falling in love with you
I'm falling, falling, falling
And there is nothing I can do
You're falling, falling, falling
You're falling the same way too
We're falling, falling, falling
And there is nothing we can do

Don't do it darling
Don't do it
Don't call me back
I have to go
Don't do it

Oh, my resistance running low
Don't do it
Don't do it
Don't tell me what I need to know
Don't do it
Oh, I may never let you go
Don't do it

Don't come closer
Stay away from me
My heart is not prepared
Why don't we wait and see
Please give it time

I'm falling, falling, falling
I'm falling in love with you
I'm falling, falling, falling
And there is nothing I can do
You're falling, falling, falling
You're falling the same way too
You're falling, falling, falling
And there is nothing we can do

I'm falling, falling, falling
I'm falling in love with you
I'm falling, falling, falling
And there is nothing I can do
You're falling, falling, falling
You're falling the same way too
You're falling, falling, falling
And there is nothing we can do
