"The Way You Do"

1. Every little thing's been said about it.
How does it apply to you?
Maybe I could learn to live without it.
Where do you find, one of a kind,
Playing for time THE WAY YOU DO?
2. Every other day I think about it.
Do you remember when?
You said we'd never be without it.
Where do you find, one of a kind,
Playing for time THE WAY YOU DO?
Maybe I'll find love THE WAY YOU DO.
Maybe I'll find love THE WAY YOU DO.
Playing for time love THE WAY YOU DO.

THE WAY YOU DO. THE WAY YOU DO.
3. Everybody says I'm mad to doubt it,
And I believe it's true.
Maybe I should learn to live without it.
But, where do you find, one of a kind,
Playing for time THE WAY YOU DO?
Maybe I'll find love THE WAY YOU DO.
Maybe I'll find love THE WAY YOU DO.
Or maybe goodbye love THE WAY YOU DO.
THE WAY YOU DO. THE WAY YOU DO.
