Twist in the dark  
I twist in the dark  
( Love ) is on the wing  
Concorde  
Seems like a groundhog  
( Your face )  
Could change everything  
With a phone call  
Like a maddog  
Well it laid me out  
When you told me  
You'd slept about  
And now I

Twist in the dark  
I twist in the dark  
Mad reasoning  
Keeps us separate  
Twist in the dark  
I twist in the dark  
My priorities are paradise

( Love ) is in the air  
Those arrows are sharp and narrow  
( Your face ) is in a static state  
In a picture that I captured  
Well I broke down  
When you told me  
You'd slept around  
And now I

Twist in the dark  
I twist in the dark  
Mad reasoning  
Keeps us separate, baby  
Twist in the dark  
I twist in the dark  
My priorities are paradise

( But it wouldn't mean a thing  
If I could only hold you

Right now, right now )  
Finding the train fare  
And the time  
But they're very hard to come by  
If I could kick away the rubbish  
If I could kick it all away

I twist in the dark  
Twist in the dark  
I twist in the dark  
I twist in the dark  
Twist in the dark  
I twist in the dark  
Mad reasoning  
Keeps us separate, baby  
I twist in the dark  
I twist in the dark  
My priorities are paradise

Well I broke down  
When you told me  
You'd slept around  
And now I

Twist in the dark  
I twist in the dark  
Mad reasoning  
Keeps us separate, baby  
Twisting in the dark  
Just means nothing
