Once I was a serene teenaged child  
Once I felt your cock against my thigh  
You said you were a poet, man  
Your poetry wasn't obvious to me  
When you said I had the Stuff that drove you Wild  
But the feeling of power was intoxicating, magic  
The feeling of power was intoxicating  
The feeling of power was intoxicating, magic  
The feeling of power was intoxicating  
Oh oh oh, oh,

Make-up and dis-eating-orders  
Post-order New Order is harder  
I wanna stay up all night, now that I live on my own  
I wanna be one of you guys  
But I don't want your body so close and dismembered  
I don't want your body so close and dismembered  
Don't take your pants off 'cause I don't want to see it  
Don't take your pants off 'cause I don't want to see it  
No no no no  
No no no

Once I was a serene teenage child  
Once I felt your cock against my thigh  
You said a girl like me was torture for you  
I didn't know what to do about it and  
Somehow it made me feel proud  
The feeling of pride and the loneliness to it  
The feeling of pride and the loneliness to it  
The feeling of pride and the loneliness to it  
The feeling of pride and the loneliness
