Ba ba ba ba ba ba ba ba.

The eyes of a person are his slight into the world.
The reflections of his eyes betray what he feels inside.
He'll find he cannot hide what lurks in his soul.
Be careful people to keep your soul in tow.

If love is in your heart,
There'll be hapiness in your eyes.
You'll find you cannot hide the feelings that you have
inside.

Words cannot disguise,
The reflections of your eyes.
You'll find you cannot hide the feelings that you have
inside.

Have you ever looked in to the eyes of a lonely person.
Then you know what I'm talkin' bout.
They cannot hide their fear and their doubt.

Ba ba ba ba ba ba ba ba.
Ba ba ba ba ba ba ba.
Ba ba ba ba ba ba ba ba.

If lonliness fills your heart,
There'll be sadness in your eyes.
You'll find you cannot hide the feelings that you have
inside.

(Listen to me)
Have you ever looked in to the eyes of a lonely person.
Then you know what I'm talkin' bout.
They cannot hide their fear and their doubt.

If love is in your heart,
There'll be hapiness in your eyes.
You'll find you cannot hide the feelings that you have
inside.
