It's time to sing like you never sang
Go play the perfect game
The time has come for all of us to make such a change
And I don't mind
But don't give up, cause you can be the perfect one
(Could be the perfect one)

And I'm not like you anyway
I've never been the one that you want
And I'm not like you anyway to
Bring the entire show

It's time to get up and move around
Dance to the perfect sound
Because the beat of my heart will never let you down
And I don't mind
But don't give up, cause you can be the perfect one.
(Could be the perfect one)

And I'm not like you anyway
I've never been the one that you want.
And I'm not like you anyway to
Bring the entire show

[Chorus:]
Don't be a fool I've fallen for you
Tonight, tonight just say it's alright
Tonight, tonight please say it's alright
Don't be a fool I've fallen for you
Tonight, tonight just say it's alright
Tonight, tonight please say it's alright

It's time to sing like you never sang
Go play the perfect game
The time has come for all of us to make such a change
And I don't mind
But don't give up, cause you can be the perfect one.
(Could be the perfect one)

And I'm not like you anyway
I've never been the one that you want

And I'm not like you anyway to
Bring the entire show
