Here we are again
Just right back where we started from.
Now here we are again baby
Just right back where we both belong.

Am I supposed to love.
Am I supposed to let this go.
Am I supposed to let back.
Am I supposed to let that show.

Well I'd give my life for you to let me know.

Take back our lives
My California's empty
Where you're no where in sight
I can never call this home.
I'd give my life
Forever second chances
My dear you were so right.
Now leave me here to die alone.

Here we are again
Just right back where we started from.
Now here we are again baby
Just right back where we both belong.

We'll roam the streets of L.A.
Bathe in the rays of our new sun
Sweet Santa Barbara lady
We're flying down the 101.

Take back our lives
My California's empty
Where you're no where in sight
I can never call this home.
I'd give my life
Forever second chances
My dear you were so right.
Now leave me here to die alone.
