Doo do do do do  
Doo do do do doo do doo do dooo do do  
Doo do do do do  
Doo do do do doo do doo do dooo do do

Lying alone in the hospital  
I can't do anything right  
When I'm with someone like you

Oh, deep in my heart, yes, I know  
Our love's run out  
Oh, deep in my heart, yes, I know  
I caused this row

Nothing is left, only a memory  
A glitch in my heart  
Until you come back to me

Nothing is left, only a memory  
A glitch in my heart  
'Til you come back to me

Doo do do do do  
Doo do do do doo do doo do dooo do do  
Doo do do do do  
Doo do do do doo do doo do dooo do do

Lying alone in the hospital  
Don't wanna check myself out  
If I'm going home to you

Oh, deep in my heart, yes, I know  
Your love will soon wear out  
Oh, deep in my heart, yes, I know  
I think you'll work something out

Nothing is left, only a memory  
A glitch in my heart  
'Til you come back to me

Nothing is left, only a memory  
A glitch in my heart

'Til you come back to me

Nothing is left, only a memory  
A glitch in my heart  
'Til you come back to me

Nothing is left, only a memory  
A glitch in my heart  
'Til you come back to me

Doo do do do do  
Doo do do do doo do doo do dooo do do  
Doo do do do do  
Doo do do do doo do doo do dooo do do
