In a city sky rise all the time
You pushed me to the top floor so we could see the
sights
I can tell that you wanted to,
Jump in the pool
Jump in the pool
I looked at you I knew you wanted to,
Jump in the pool
Jump in the pool

I push out
I breathe in
And still us turning away
Don't look back
Don't pretend
We'll ever take control again
And we're falling beyond the horizon,
And only the water remains

The fear is falling away

On the poolside staring into glowing blue,
Swimsuit issues with my toes curled in the grooves
I could tell that you wanted to,
Jump in the pool,
And jump in the pool,
I looked at you I knew you wanted to
Jump in the pool,
Jump in the pool.

I push out
I breathe in
And still us turning away
Don't look back
Don't pretend
We'll ever take control again
And we're falling beyond the horizon,
And only the water remains

The fear is falling away

Keep breathing, keep searching

Keep holding on
Keep breathing, keep living
Keep holding on

I push out
I breathe in
And still us turning away
Don't look back
Don't pretend
We'll ever take control again
And we're falling beyond the horizon,
And only the water remains

The fear is falling away
