See a crack in the sky  
Catch the sun as it falls  
Swim the waves in your eyes  
Keeps me rushing, rushing out to shore

Found a place we desire  
A place we live and you don't  
As we float from a wealth that is breathless  
No one's frightened anymore

And we couldn't care  
If we die out here, die out here  
And we couldn't care  
If they flick the switch and took the rest of this

In Pala, in Pala  
In Pala, in Pala

See the flash in the dark  
Breathe the rest of your sigh  
Hold the rush of a life  
Keep me coming, coming back for more

Feel the lust of a lion  
The one who runs at you cold  
When you start with a look that's endless  
Pits me up against the wall

And we couldn't care  
If we die out here, die out here  
And we couldn't care  
If they flick the switch and took the rest of this

In Pala, in Pala  
In Pala, in Pala

It's so quiet here  
Breathing life up here

In Pala, in Pala  
In Pala, in Pala
