In between the lines there's a lot of obscurity
I'm not inclined to resign to maturity
If it's all right, then you're all wrong
Why bounce around to the same damn song
You'd rather run when you can crawl

I know, you know
That I'm not telling the truth
I know, you know
They just don't have any proof
Embrace the deception
Learn how to bend
Your worst inhibitions didn't psych you out in the end

In between the lines there's a lot of obscurity
I'm not inclined to resign to maturity
If it's all right, then you're all wrong
Why bounce around to the same damn song

You'd rather run when you can crawl

I know, you know
That I'm not telling the truth
I know, you know
They just don't have any proof
Embrace the deception
Learn how to bend
Your worst inhibitions didn't psych you out in the end

I know, you know
I know, you know
I know, you know
I know, you know
