I go blind by Friends
Every time I look at you, I go blind
Every time I look at you, I go blind
Every time I look at you, I go blind
Every time I look at you, I go blind

In the morning, I get up, and I try to feel alive, but I
can't
Every time I look at you, I go blind

I don't know, what it is. Something in me just won't give
me a chance
I think it's that I feel, more confused by the deal, love
has shown me

Little child did you know that there's a light ?
And it's gonna shine right through your eyes
What did you think that love is like ?
Every time I look at you, I go blind. I go blind

Well, somewhere over there, there's a purpose, there's
a care for free
In me there's nobody, no one plan, no one stand to be
free

I think it's that because, I have seen all the fuss and it's
no big deal
No big deal

Hold me, hold me 'cause I want to get higher and
higher
Every time I look at you, I go blind
Hold me, hold me 'cause I want to get higher and
higher
Every time I look at you, I go blind...
