We got to get in this together
Soon they're ll be victims of the mind control
Your government can now control the weather
But now the love can get into your soul
Whoa-ah, yet some thing feels old
Cause it don't feel natural
Whoa-ah, ...everyday, the truth is all ours

It's all, it's all, it's all, it's all, ours, ours, ours
It's all, it's all, it's all, it's all, ours, ours, ours

It's on the edge of inspiration
Finally feels like we all are waking up
Stretch up, on the ground, bring a mission to ...
Dance, you've been kept... long enough

Whoa-ah, But I can make my own dance
I can make my own laws
Whoa-ah, Nobody owns this place, I can be my own god

It's all, it's all, it's all, it's all, ours, ours, ours
It's all, it's all, it's all, it's all, ours, ours, ours

You're only, only what you want (yeah)
Mind control everywhere is trying to keep your brain
washed
You're only, only what you want (yeah)
Mind control everywhere is trying to keep your brain
washed
You're only, only what you want (yeah)
Mind control everywhere is trying to keep your brain
washed
You're only, only what you want (yeah)
Mind control everywhere is trying to keep your brain
washed

I don't want the right to be rude, I just want the right to
be cool
However I chose to do it, I do
Whatever I chose to be or with whom
Hey I don't need your money, I can grow my own food
I don't need your beauty standard, I can be my own

dude
And I don't pay tuition, I can be my own school
I don't need your prescriptions, I can change my own
mood

You're only, only what you want (yeah)
Mind control everywhere is trying to keep your brain
washed
You're only, only what you want (yeah)
Mind control everywhere is trying to keep your brain
washed
