Ice on the window, ice on the floor, who could ever melt
much more?

I'm asking you, you're asking me, ain't we just sweet as
we can be?

I want to work in Woolloomooloo and I want to make a
Hullabaloo.

So mix it up in the middle of the night, into the day, and
get it right.

I'm asking you and you're looking at me, ain't we just
as sweet as we
can be?

I want to work in Woolloomooloo I want to make a
Hullabaloo.

Mix it up get it right, into the day and into the night.

I'm asking you, and you're looking at me, ain't we just
as sweet as we
can be?

Ice on the window, ice on the floor, I can't melt much
more.

It's up to you, it's up to me, ain't we just as sweet as we
can be?

I want to work in Woolloomooloo I want to make a
Hullabaloo.

Ice on the tape machine, ice on the board, ain't y'never
seen it melt
before?

I'm asking you and you're looking at me, ain't we just
sweet as we can
be?

I want to work in Woolloomooloo I want to make a
Hullabaloo....
