[Miley:]

A word's just a words

'Til you mean what you say

[Nick:]

And love, isn't love

'Til you give it away

[Miley:]

We've all gotta gift

[Nick:]

Yeah, something to give

[Nick & Miley:]

To make a change

[Chorus:]

[All:]

Send it on

(Send it on)

On and on

(On and on)

Just one hand can heal another

Be a part

(Be a part)

Reach a heart

(Reach a heart)

Just one spark starts a fire

With one little action the chain reaction

Will never stop

Make us strong

Shine a light and send it on

[Demi:]

Just Smile

(Joe: Just smile...)

[Demi:]

And the world

(And the world...)

Will smile

[Demi & Joe:]  
Along with you...

[Joe:]  
That small act of love  
That's meant for one  
Will become two

[Miley:]  
If we take the chances...

[Nick:]  
To change circumstances

[All:]  
Imagine all we can do

(If we...)

[Chorus:]  
Send it on  
(Send it on)  
On and on  
(On and on)  
Just one hand can heal another  
Be a part  
(Be a part)  
Reach a heart  
(Reach a heart)  
Just one spark starts a fire  
With one little action the chain reaction  
Will never stop  
Make us strong  
Shine a light and send it on

Send it on...

[Miley:]  
There's power in all of the choices we make

[Selena & Joe:]  
So I'm starting now there's not a moment to wait

[Selena:]  
Word's, just a word  
'Til you mean what you say

[Selena & Kevin:]  
And love, isn't love  
'Til you give it away

[All:]  
Send it on  
(Send it on)  
On and on  
(On and on)  
Just one hand can heal another  
Be a part  
(Be a part)  
Reach a heart  
(Reach a heart)  
Just one spark starts a fire  
With one little action the chain reaction  
Will never stop  
Make us strong  
Shine a light and send it on

(Nick: send it on...)

Just one hand can heal another  
Be a part  
(Be a part...)  
Reach a heart  
(Reach a heart...)  
(Ohh)  
Just one spark starts a fire  
[Girls:]  
With one little action the chain reaction  
Will never stop  
[All:]  
Make us strong  
Shine a light and  
Send it on

(Demi: shine a light and send it on...)

Shine a light and send it on...
