Here we are again  
Just right back where we started from.  
Now here we are again baby  
Just right back where we both belong.

Am I supposed to love.  
Am I supposed to let this go.  
Am I supposed to let back.  
Am I supposed to let that show.

Well I'd give my life for you to let me know.

Take back our lives  
My California's empty  
Where you're no where in sight  
I can never call this home.  
I'd give my life  
Forever second chances  
My dear you were so right.  
Now leave me here to die alone.

Here we are again  
Just right back where we started from.  
Now here we are again baby  
Just right back where we both belong.

We'll roam the streets of L.A.  
Bathe in the rays of our new sun  
Sweet Santa Barbara lady  
We're flying down the 101.

Take back our lives  
My California's empty  
Where you're no where in sight  
I can never call this home.  
I'd give my life  
Forever second chances  
My dear you were so right.  
Now leave me here to die alone.
