(spoken)

It's kind of a nice day isn't it?

I don't know

(speaking part in parenthesis)

Ain't it a great day?

(I don't know)

Could it be better?

(I don't know babe)

I got an idea!

Let's go to the park

And we'll ride on a merry-go-round

(Baby, it's kind of a nice day don't you think?)

(*sigh* I don't know)

(You reckon it could be a little better?)

(*chuckle* *sigh* I don't know)

(Come on)

Couldn't we just sit around the house here

And have us a little drink of tea?

Gotta get away

Gonna have a groovy day

Spend some time with you

Doing just what comes naturally

(Dig baby, I know what we could do on this very day)

(*sigh* I don't know about all that)

(Then, what would be nice...)

Baby baby baby baby baby... I don't know

Whatever we do dear,

There's one thing that's for sure

That nothing could be better

Than just being together.

Gotta get away

Gonna have a groovy day

Spend some time with you

Doing just what comes naturally

(sing 3x's)

Gotta get away

Gonna have a groovy daaaaayyyy---ooooohhh...
