I forgot to wear my cross tonight  
I left my garlic at home  
It's so dumb but it's so fun  
To wander 'round the city alone

I'm runnin', fallin' down  
Chase me all around this town  
And now you've finally got me  
What am I to do?

Sexy vampire,  
I'm falling in love  
So just bite me baby  
And drink all my blood

Oh yeah

Sexy vampire  
I'm falling in love with you  
So do what you want to do

Sexy vampire  
I'm falling in love  
So just bite me baby  
And drink all my blood

Oh yeah

Sexy vampire  
I'm falling in love with you  
'Cause you need my plasma more than I do.

Hey you wanna stop for a drink or two  
And maybe for a disco break here  
We'll party all night until the sun comes up  
You could say I'm raising the stakes.

I'm runnin', fallin' down  
Chase me all around this town  
And now you've finally got me  
What am I to do?

Sexy vampire,  
I'm falling in love  
So just bite me baby  
And drink all my blood

Oh yeah

Sexy vampire  
I'm falling in love with you  
So do what you want to do

Sexy vampire  
I'm falling in love  
So just bite me baby  
And drink all my blood

Oh yeah

Sexy vampire  
I'm falling in love with you  
'Cause you need my plasma more than I do.
